

# Courses in English

## Englisches Vorlesungsprogramm Sommersemester 2009

Im SS 2009 bietet die Hochschule München ein umfangreiches Angebot an englischsprachigen Fachlehrveranstaltungen (Courses in English) an und ermöglicht damit den Erwerb wichtiger Schlüsselqualifikationen. Zur Einführung des aktuellen Lehrangebotes und gleichzeitigen Einschreibung in die Kurse findet zu Beginn des Sommersemesters eine Einführungsveranstaltung statt. Außerdem wird dort die Zusatzqualifikation «Courses in English» vorgestellt.

Organizing Department	Course	Professor	hours/week	ECTS credits
01 Architecture	■ Three-Dimensional Design	BerktoId	2	2
02 Civil Engineering	■ Technical English for Civil Engineers	Gäßler	4	4
03 Mechanical, Automotive & Aeronautical Engineering	■ Design Project	Maurer	4	4
	■ Presentation Techniques	Maurer	2	2
	■ Solids-based Modelling for Finite Element Analysis	Sompek	4	4
04 Electrical Engineering	■ Material Science/Quality Control (on demand)	Heller	2	2
	■ Sustainable Product Engineering	Heller	4	4
	■ Fieldbus Systems	Sommer	4	4
05 Building Services, Process Engineering Paper & Synthetics, Printing & Electronic Media	■ Plant Engineering	Herz	4	5
	■ Thermodynamics	Herz	4	4
	■ Fluid Mechanics II (Advanced Fluid Mechanics)	Liepsch	4	4
	■ Finite Element Method	Mair	2	3
06 Precision & Micro Engineering, Physical Engineering	■ Mechanism Design and Analysis	Wallrapp	4	4
	■ Multibody Dynamics	Wallrapp	4	5
07 Computer Science, Mathematics	■ Technical Writing	Balazs	4	5
	■ Software Architecture	Böttcher	4	5
	■ Knowledge-Based Systems	Köhler	4	5
	■ Management Information Systems for SME	Hunter	4	5
	■ Formal Management and Research Topics in Information Systems	Hunter	4	5
	■ IT-Systems II	Ruckert	4	5
	■ Computer Clusters	Vogt	4	5
	■ Operating System I	Vogt	4	5
09 Industrial Engineering	■ Ergonomics	Kurz	2	3
	■ Design and Analysis of Experiments	Strunz	4	4
	■ Challenges of Leadership	Sadowsky	4	4
	■ International Marketing	Fisher	4	4
	■ Intercultural Management and Leadership	Herrig, Fischer	4	4
	■ Unified Communication – Technology, Application, Impacts, Opportunities	Thompson	4	4
	■ Technical Marketing – lecture and simulation	Döhl, Badura	4	4
10 Business Administration	■ Introduction to International Management	Albritton	4	5
	■ Intercultural Communication	Müllich, Kalb-Krause	2	2
13 General Studies	■ Problems of English Grammar I	Block	2	2
	■ The American Language	Block	2	2
	■ Human-Machine Communication	Block	2	2
	■ German Grammar in English for Intl. Students	Block	3	4
	■ Issues in Canada & Australia	Stratmann	2	2
	■ The Eurosceptic and the Eurofriendly: Britain and Ireland in the European Unions	Stratmann	4	2
	■ Physics of Logic (Holistic Aspects)	Zimmermann	2	2
14 Tourism	■ Finance & Investment	Schulz	2	3
	■ Exhibition Management	Pöllmann	2	3
	■ Tourism Management in China and Asia	Xu	2	3
	■ Intercultural Training II	Bauer/East/Yu	2	3

## Info-Session and Registration

Tuesday, March 17<sup>th</sup> 2009, 12:00 am, Room A 1.04 Oskar von Miller Saal, Lothstr. 34
