* (MA): Master level course.
 ** This course is held in Spanish and does not count for the CiE certificate.
 *** This course is for Master and Bachelor students.
 **** Students can only select one of these courses, not both.

The US credit points mentioned above are calculated as follows:
 ECTS points divided by 1.5 (and then rounded up). This calculation is meant to serve as a rough guide only and is not applicable to all US university systems.

In order to participate in the courses you should have a sound knowledge of English. It is in the lecturer's sole discretion to bar you from the course, should you not meet the requirements. Please have a look at the detailed course descriptions on our website.

Please note that the Courses in English are supplementary courses to our program

This programme may still be subject to change. Please check our website for latest details. Please also kindly note that some courses are limited to a certain number of participants and that course times can overlap.
