Department 10 Business Administration

Course title Interactive Competence and Intercultural Management (MA)*

Hours per week (SWS) 4

Number of ECTS credits 5

Course objective The students should:
• be able to use the English language, including business terminology and social English, interactively in relevant fields of international business, in written and oral communication, in real-life situations
• acquire an adequate degree of acceptance of other cultural modes of expression and cultural profiles as well as the necessary ambiguity tolerance and integrate it into their interactive competence, chiefly in business situations, on the basis of the awareness and knowledge of cross-cultural differences and their own cultural profile
• become familiar, both in theory and practice, with various national business habits, leadership styles and virtues, corporate structures and patterns, and learn how to deal with those differences in order to be able to act and react in complex cross-cultural situations
• get an insight into a variety of selected (target) cultures and ethical systems, as well as different approaches to finances with their societal (e.g. historical, philosophical, religious) foundations

Prerequisites basic knowledge in intercultural communication; good academic and business English
