8. Where can I find the subjects I can choose and the component titles?

Courses in English:

All courses in English can be found on the website: www.hm.edu/courses_in_english

Please use the course lists from last semester(s) as a hint for the upcoming semester.

Final course list will be released approx. one month before the semester starts.

Courses in German:

Courses in German can be found on the websites of the respective departments. There is no general course book, so you need to search on the website of the department for courses.

List of departments and links: <http://hm.edu/en/muas/departments/index.en.html>

Some departments offer special information about course selection:

Please note: Learning Agreement will be returned after application deadline and if all application documents are received.

11) I have already arrived and now need to sign my Learning Agreement.

After you have arrived your Departmental coordinator (a professor or staff member of the department you are enrolled in) will need to sign your Learning Agreement. Please get in contact with your Departmental Coordinator to have your Learning Agreement signed. You will get informed during Orientation Days about your personal Departmental Coordinator.

12) Important notes

- Learning agreement before studies is not considered as course registration and acceptance to the courses can't be guaranteed.
- Number of students is limited in most courses in English.
- Possible changes are done once semester has started.
- During Orientation Days the student will get informed about the name and contact details of the departmental coordinator. Before the student arrives the "International Office" will be the departmental and academic coordinator. After the student has arrived the Departmental Coordinator will take over the duty to sign Learning Agreements.
