Interdisciplinary Studies

Dachauer Straße 100a

Founded and chaired by Nobel Laureate and former US Vice President Al Gore, the Climate Reality Project is dedicated to catalyzing a global solution to the climate crisis by making urgent action a necessity across every level of society.

As a representative of the project, Reed Evans will give a talk about the latest data and the importance of Climate Reality.

Reed Evans

Lecturer at HSM in subjects sustainability and participatory leadership and facilitation
Sustainability consultant in Chicago
Founder of the new program: Scale-It-Up!
Sustainability Training for Women Entrepreneurs.
Climate Reality Project Leader
