Master Paper Technology - Information on application

Recognition of foreign certificates

In order to apply at Munich University of Applied Sciences (MUAS) candidates with a first degree from a non-German institute must prove, that their Bachelor's degree is equivalent to a German first degree. This means for you, that you have to apply first to uni-assist to validate your degree from your home country. Uni-assist will assess your Bachelor’s degree and decide if it meets the requirements for entering a Master’s degree program in Germany. After this verification process, you can apply to MUAS.

You find all relevant information for your application at uni-assist on their website: http://www.uni-assist.de/index_en.html.

Please submit the following documents to uni-assist:

- certified copies of the original school certificates and university degree
- certified translations of the above if certificates are issued in another language then German or English
- Proof of English knowledge (if already available)
- Employment reference letter (if already available)
- CV
- copy of your passport
- printed and signed copy of uni-assist's application form

Uni-assist will send a preliminary documentation (VPD) to you. Please hand in the preliminary documentation together with our specific application form as well as additional documents. One advantage for you: The document you receive from uni-assist can be used directly to apply for a visa for study applicants in the visa section of the German Embassy / German consulate in your home country, too.

Please note that uni-assist charges an administration fee for their services (http://www.uni-assist.de/regulation-fees.html).

Exception regulation:
Applicants from China, Vietnam or Mongolia have to submit the certificate of APS ("Akademische Prüfstelle") as well.

Akademische Prüfstelle des Kulturreferates der Deutschen Botschaft Peking
Landmark Tower 2, Office 0311
The APS certificate has to be submitted together with all documents to uni assist if there is no average mark. If there is an average mark, you can apply directly to MUAS.
