

Aptitude Test

The next aptitude test for the Master Business Administration – Digital Technology Entrepreneurship will take place in summer 2019.

After examining all applications we will send out invitations **via e-mail**, provided that you meet the formal requirements.

You have to be present in person on that day, it is not possible to change the dates / times.

Please bring your bachelor thesis or - if it is not finished yet - a two-page summary. There is no need to translate foreign bachelor thesis. If you did not have to write a thesis for your bachelor degree, please bring a summary of another piece of academic work.

The aptitude test is conducted by two professors of the Department of Business Administration and **lasts about 30 minutes**.

The subject of the aptitude test will be announced here in spring 2019

Apart from professional competence in the field of economy and digital technology, the main focus will be on communication skills as well as methodological expertise.
